## **Solving Problems and Getting Results for MORE MUSCLE POWER!**

**Improved mobility, flexibility, endurance, and strength while treating and/or preventing:**

- muscle injuries • migraines • carpal tunnel • TMJ • tendonitis
- neck, ankle, foot, knee, and shoulder joint pain

---

**“After 3 half-hour massages with Geri, my doctor said my wrist had improved by 60% and he cancelled my surgery.”**

**– S.L., Registered Nurse**

**“After 25 years of shoulder pain, Geri’s therapeutic massage expertly pinpointed the source and I am now pain-free.”**

**– S.D., Business Owner**

**“Geri’s is the most sophisticated massage I’ve ever had.”**

**– O.S., Miami, FL**

**“You made me feel like a million dollars (and I would have saved that much if I’d come to you first!)” – T.F., Marblehead**
